Vol.1 No.2
(Spring, 1953)

CANADIAN ASSOCIATION OF UNIVERSITY TEACHERS

B U L L E T I N

1. Annual Meeting, 3rd June, 1953

The Annual Meeting of the Association will be held at the University of Western Ontario, London, Ont., on 3rd June, 1953. Please note the date, since it had originally been planned to hold it on the 4th and some other announcements contain the latter date. It was found that the 4th was a very heavy day on the programmes of other Associations, so it became necessary to make a change.

This date will be particularly convenient for those who wish also to attend the meetings of the Royal Society of Canada, the Canadian Historical Association, and the Canadian Political Science Association.

Accommodation. Accommodation in the University Buildings may be booked through Committee on Registration, Room 124, Main Building, University of Western Ontario, London, and should be requested early. Additional information regarding accommodation, meals, hotels, motels, etc., has been mailed out to members of the older learned societies or may be obtained from the Committee on Registration. Since most of our members will also be attending other meetings this detailed information has been omitted from this Bulletin.

The Executive Council will meet at 9.30 a.m. and again at 2 p.m. The Annual General Meeting will be held at 4.30 p.m.

The business to be dealt with will include the following: amendments to the constitution (among those discussed in Council last year but held over was one dealing with the composition and term of office of the

Executive Council), financial relations between CAUT and affiliated Associations, relations with International and other associations of university teachers, proposals for new activities of CAUT and reports on current activities, election of officers. Agenda for the Executive Council will be mailed out shortly. Members and local associations should consider their attitude to these matters so that their representatives will be prepared to discuss them.

2. Recent Activities of the Association

An Income Tax Guide was sent out for the use of all members in March. Fresh questionnaires have gone out in connection with the continuing study of salaries. Two representatives of the Association attended the Annual Conference of the International Association of University Professors and Lecturers in Amsterdam in March. Their report will be laid before the Association at the Annual Meeting.

3. Subscriptions to Journals

As suggested in the last issue of the Bulletin members, Staff Common Rooms, Faculty Clubs, or Associations may wish to subscribe to journals of American, British and International Associations of teachers. Details of these are given below :-

Bulletin of the American Association of University Professors (Editorial Office, 1785 Massachusetts Ave. NW, Washington 6, D.C. Subscription $3.50 a year);

Universities Review (Editorial Office, the Editor, Prof. C.M. MacInnes, The University, Bristol 8, England. Subscription 10/6 for three issues);

Communication (the International Association of University Professors and Lecturers, 13 Old Square, Lincoln's Inn, London, W.C.2., England. Subscription 4/·· a year).

It is recommended that subscriptions to the second and third of these be taken out through an English bookseller such as Basil Blackwell in Oxford.
